

JULIET BAWDEN

Juliet Bawden is an author, designer, broadcaster and writer. An absolute whiz at making and making-over wonderful objects to completely transform a home. An expert with colour, she's equally adept at designing hats, mobiles, exotic costumes, baby clothes, exquisitely decorated papier maché boxes and bowls - and much, much more. She's published over 60 books, and written scores of articles for newspapers and lifestyle magazines. Currently she's senior consultant to Dylan.
